Sub: Complaint on the Allegations of Violation of SPPRA Rules 2010 by Government College University, Hyderabad. Reference No: NIT/GCUH/PC/608 Dated: 2nd May, 2023, Tender for Miscellaneous Works at GC, University, Hyderabad.

Dear Sir,

Transparency International Pakistan has received a complaint from M/s FIM Enterprises on the allegations of violation of SPPRA Rules 2010 in the bidding procedure by Government College University, Hyderabad in NIT/GCUH/PC/608 Dated: 2nd May, 2023 for miscellaneous works at Government College, University, Hyderabad (**Annex-A**).

The complainant has made the following allegations:

That;

1. On 2nd 2023, GC University Hyderabad, through Notice Inviting Tender, NIT/GCUH/PC/608, invited tender on a Single Stage Single Envelop basis for the following works: i) Civil Work of Academic Block at Government College University, Hyderabad' ii) Civil Work of Cafeteria at Government College University, Hyderabad' iii) Electric Work of Academic Block at Government College University, Hyderabad, iv) Electric Work of Cafeteria at Government College University, Hyderabad'
2. On 23rd May 2023, the complainant firm participated in the tender for the above works and submitted the tender fees and bid security.
3. As per the 'Minutes of the Bid Opening Meeting' held on 23rd May 2023, the bids were opened 1 hour late at 12:30pm on 23.05.2023, stating reason that the M/s FIM Enterprises representative was not present in the committee room (**Annex-B**). Whereas, M/s FIM Enterprises representative was present and signed the attendance sheet dated 23-05-2023, time 11:30 am (**Annex-C**).
4. The procuring agency extended the timing of the bid opening without written clarification/confirmation, the tender box was also not available and the procurement agency told the bidders to keep the bid documents on the desk, which is a clear violation of SPPRA Rules 2010.
5. As per the Bid Evaluation report (BER), M/s FIM Enterprises is disqualified on the basis of the lack of relevant experience, whereas BER also mentions that bids of M/s FIM Enterprise were not "opened and returned un-opened". How can the procuring agency decide on the lack of experience without opening of the bid proposal? (**Annex-D**)
6. The entire tendering process has reeked of favoritism. For instance, Cafeteria (Civil Work) is awarded to M/S Rockwell Enterprises, whose nature of business is furniture supplies, which is not eligible and does not pertain to the required criteria described in the NIT.
7. Similarly, Academic Block (Civil Work) is awarded to M/s Sumaya Builders who is directly connected with office of the Project Coordinator, and is alleged to have been awarded the work to get the financial benefit.
8. M/s FIM Enterprises had quoted lowest bid in all the categories of works, but office of the Project Coordinator has awarded the contracts to higher bidders, causing estimated loss of Rs. 12.824 million to the provincial exchequer.
9. To discourage wider competition, NIT was published in three (3) daily newspapers, Daily Dawn Karachi (English), Daily Yadgar Karachi (Urdu) and Daily Awami Awaz (Sindhi), two of which are not well circulated, in violation of SPPRA Rules 2010.

Transparency International Pakistan Comments

Transparency International Pakistan has reviewed the allegations of the complaint, prima facie the allegations seem correct. Following are TI Pakistan comments;

1. SPPRA Rule 17 requires that the procuring agencies to advertise in three widely circulated leading dailies of English, Urdu and Sindhi languages. However Government College University, Hyderabad had advertised in an un-popular Dailies which is the violation of SPPRA Rule No.17(2); Quoted below;

(2) The advertisement in the newspapers shall appear in at least three widely circulated leading dailies of English, Urdu and Sindhi languages

(4) In cases, the procuring agency has its own website; it shall also post all advertisements concerning procurement on that website as well;

2. SPPRA Rule 41 requires procuring agencies to open the bids within an hour of the deadline for submission of bids. Not opening bids without any valid/ rational reason is a clear violation of SPPRA Rule 41(3); Quoted below;

41. Opening of Bids-----

(3) The bids shall be opened within one hour of the deadline for submission of bids;

(5) The procuring agency shall read aloud the name of the bidder and total amount of each bid, and of any alternative bids if they have been permitted, shall be read aloud and recorded when opened;

4. Sindh Public Procurement Rules, 2010, General Provisions Part I, requires procuring agency to conduct procurement processes in a fair and transparent manner ensuring that the qualified bidder brings value for money to the agency. SPPRA General Provisions Part I (4) is Quoted below;

4. Principles of Procurements - While procuring goods, works or services, procuring agencies shall ensure that procurements are conducted in a fair and transparent manner and the object of procurement brings value for money to the agency and the procurement process is efficient and economical.

SUB: COMPLAINT AGAINST BIDDING PROCEDURE
(LOSS GIVEN TO GOVERNMENT BY KALEEMULLAH SHAIKH FOR RS. 12.824 M)

Dear Sir,

I would like to bring in your kind attention that we have called to appear in front of the CRC committee on 06-06-2023 @ 12.00 noon. As we appeared & they opened our sealed technical & financial proposal that time, they found that we were in the lowest category & all the works supposed to be awarded to our firm without any hurdle.

Enclosed BER remarks which have been uploaded on the SPPRA website show that they have disqualified us though our technical & financial proposal opened during the CRC meeting, which means that the procuring agency has distracted the bidding procedure just to manipulate our firm & give benefits to their relatives who can financially feed them. We are highlighting the below-listed points which will show their doubtful conspiracy:

- Bid open timing extended without written confirmation/notice.
- Bids needed to be dropped into the tender box but the tender box was not there & the procuring agency said that we needed to keep the bid documents on the desk.
- Our bid wasn't open though we submitted the bid before time.
- Our technical & financial proposal was opened in front of the CRC committee on 06-06-2023, how the procuring agency can upload the BER with the statement that we are disqualified?

All the exercises show that the tendering process depended on favoritism and we are enclosing our financial bid documents for your reference which you can verify with the bidder to whom they are going to award the work, because they are giving a Huge Loss to Government for Amount of Rs. 12.824 (Million) as below:

S. No	Name of Work	Qualified Bidder Name	Qualified Bidder Amount as per BER	FIM Enterprises Bid Amount	Loss for Government
1	Academic Block (Civil Work)	M/s Sumaya Builders	215,029,000	206,987,508	8,041,492
2	Cafeteria (Civil Work)	M/s Rockwell Enterprises	15,576,000	14,092,819	1,483,181
3	Academic Block (Electric Work)	M/s Afnan Associates	25,778,000	22,773,577	3,004,423
4	Cafeteria (Electric Work)	M/s Afnan Associates	4,372,000	4,077,011	294,989
Total			260,755,000	247,930,913	12,824,085

F.E/303 Dated 08.06.2023

According to procedure, we have knocked on the door of the CRC committee but we haven't received a positive response in the certain time period as per SPPRA rules, which is the reason that we are approaching you to take the initiative in concern with the said matter, because they can make any objection in our bidding documents & mark us as disqualified just to save themselves. Therefore, it is requested you to please cancel the uploaded BER & take strong action against the procuring agency so they can't play with anyone in future.

Truly yours

The bids were opened one hour late, as the members of the committee waited for the representative of the M/s FIM Enterprises, who had submitted the bid on time but was not present in the committee room at the time of opening of the bids.
