Subject: Uploading of Information about PIOs on the website of Karachi Metropolitan Corporation (KMC), as per Section 6(1)-m of Sindh Transparency and RTI Act 2016

Dear Sir,

Transparency International Pakistan would like to bring to your attention the lack of information regarding a designated Public Information Officer (PIO) in accordance with the Sindh Transparency and Right to Information Act 2016 on the department's website: <https://kmc.gos.pk/> accessed on March 25, 2024.

Section 6(1) clause 'm' - Proactive Disclosure, Sindh Transparency and RTI Act 2016 is quoted below for your reference,

"a public body shall proactively disclose and publish information which also includes (m): complete particulars of its public information officers"

TI Pakistan acknowledges the fact that Access to Information laws are an important step towards transparency and social accountability. TI Pakistan has been striving for the enactment and implementation of RTI laws in Pakistan since 2002 so that the citizens are able to exercise their right to information.

Transparency International Pakistan requests the Mayor Karachi to issue directives for the compliance with Section 6(1) clause 'm' Sindh RTI Act 2016 and uploading the mandatory information including the particulars of public information officer (PIO) on the department's website.

Transparency International Pakistan is striving for across-the-board application of Rule of Law, which is the only way to eradicate corruption.

With Regards,

Advocate Daniyal Muzaffar
