

SINDH BUILDING CONTRACTORS ORGANIZATION

Registration No. DGS(W)S-2237-A

Ref: 184-Khi, 02/06/2022

To,

The Managing Director, Sindh Public Procurement Regulatory Authority Karachi

SUBJECT: COMPLAINT AGAINST NIT BY THE EXECUTIVE ENGINEER PROVINCIAL BUILDING DIVISION HYDERABAD "ESTABLISHMENT OF SECRETARIAT COMPLEX FOR SINDH PUBLIC SERVICE COMMISSION AT HYDERABAD (ADP # 2445 OF 2021-22)

NIT No. G-55/1744/OF 2022 Date: 25/05/2022 (PPMS ID T01165-21-0014 Date 22/05/2022)

With reference to the subject NIT the Newspapers advertisement not uploaded with NIT as per Rule·17(2) of SPP Rules; PA is trying to confuse the audience through these jugglery acts as most of the Eligibility conditions are contrary to the Rule-44 of Sindh Public Procurement Rules 2010, with so many discriminatory and difficult conditions. The new corrigendum has been uploaded on 31·05·2022 at PPMS Website stating new date i.e: 13·06·2022. Thus 15·days time as per SPPRA is not completed here. Further It is pertain to mention here that the same work NIT was hoisted previously twice with SPPRA ID T01165·21·0013 dated (22·05·2022) and SPPRA ID T01165·21·0012 dated (02·05·2022) got cancelled due to so many false condition and no Newspaper advertisements. Few Major violations as mentioned below with objections / Remarks which needs to be omitted for transparent competition.

Ref#	NIT Conditions	<u>Objections</u>
i	PEC category asked in NIT is C-1 PEC Specialization Codes asked in NIT not relevant; i.e. CE-01, ME-04, ME-06	PEC required for said NIT is Category C-1; however the said work falls under category C-2, Thus same Category should be asked which is contrary to Rule-44 of SPP Rules. The specialization codes asked for such nominal nature of work has raised several questions on the transparency of bidding process, as no such work can be seen in BOQ items (Annexure-1). Further Building is Ground + 3 Storey ordinary RCC Structure building with regular MEP Services. Thus List of irrelevant codes which are not pertain to this work are: - CE-01 (Road & Pavements, Drainage & Retaining Structure) - ME-04 (Building Automation System) - ME-06 (Specialized Fabrication and Treatment Medical Equipment, Kitchen and Laundry Equipment, Heat Recovery System, Pollution Control System, Miscellaneous Mechanical Equipment, Chiller for Power Generation, Specialized Plant)
vi	Certificate of bank showing credit 25% of bid along with Bank statement
