NASTP Silicon

Subject: Eligibility Criteria in Tender No. NASTP SILICON004/2024/Housekeeping.

Dear Sir,

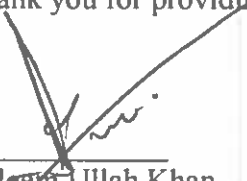

As per your advertisement mentioned above, we are glad to participate in this tender. We as a firm established in 2020 provides facility management and outsourcing services to more than 10 well-reputed organization all over Pakistan, which includes Banks and Insurance Companies.

Unfortunately, there appears to be a lack of transparency in how the tender criteria were formulated and communicated to potential bidders, after reviewing the eligibility criteria we are unable to participate in this tender due to clauses mentioned below:

1. Minimum Tax Paid 5 Million in FY 2023-24
2. Minimum 08 Years' experience.

These requirements exclude many competent companies from the tender process, considering these concerns, I respectfully request you to review this tender.

Thank you for providing us the opportunity
