

MUHAMMADI BLOOD BANK & THALASSEMIA CENTRE

A project of Muhammadiyah Hematology, Oncology Services & Welfare Foundation (Regd.)

Date: 04-Mar-2023

Mr. Sohail Muzaffer
Chairman
Transparency International Pakistan

Dear Sir,

Hope you are amidst the best of everything under the blessing of Allah.

Muhammadi Blood Bank & Thalassemia Centre established in 2003 as a charitable organization with a mission to provide exemplary care in diagnosis, treatment and prevention of blood related diseases. Our blood banks situated in Karachi, Thatta, Jacobabad, Multan and Skardu, we are providing safe and screened blood 24/7, when ever needed saving thousands of lives. We are providing free of cost supportive treatment to these beta-thalassemia major patients without discrimination of cast and creed. Along with treatment, our mission is to create awareness among the population regarding thalassemia to stop the childbirth with beta-thalassemia major and make beta-thalassemia major free Pakistan.

I am honored to inform you that with the aid and assistance of our donors and along with the collaboration of the Government of Pakistan, we have expanded our centres all over Pakistan. We have successfully launched blood bank and thalassemia centre in Jacobabad-Sindh and more are under process to be opened in Interior-Sindh, Punjab, KPK and Balochistan. Till date 600+ registered patients are getting free thalassemia treatments and services from Muhammadi Blood Bank & Thalassemia Centre and as we are further expanding our centres, we are hoping for this number of patients to rise. This increase in the number of patients have doubled our expenses too but with your support our goals will be fulfilled. In the commencing of the Holy month of Ramadan, it is our duty to help those in need. We thus request you to kindly help us in this Holy Month of Ramadan with your kind donation/zakat of Rs. 100,000/- so that Muhammadi Welfare Foundation® can continue to serve more patients with the best quality healthcare.

Looking forward to your support as together we can stand strong and provide free treatments to as many patients as possible. Allah will surely shower His blessing upon you for your act of kindness.

Regards,

Dr. Maeesa Sajeel, MBBS, M.Phil. (Hematology), MS (Transfusion Medicine)
Associate Professor of Hematology / Pathology
Executive Medical Director, Muhammadi Welfare Foundation®
Hematologist & Transfusion Medicine Specialist
