Subject: Re: Grievance regarding Tender Clauses and Non-Consideration of Lowest Bid

Refer to HKB Letter No. HKB/WALLED CITY/24 on Dated: 03/12/2024
(Received on 8th December, 2024 after Grievance Time)

WCLA has uploaded tender "Protection of LED lights through iron cages on Trail, Lahore Fort" on PPRA website and EPAD on Dated: 10th October, 2024 and opened on 28th October, 2024. The said Tender was based on "Quality and Cost" as mentioned in Tender Notice and EPAD, in order to shortlist eligible contractors before opening of Financial bid, as acknowledged in Para No 2 of above referred letter.

Tender has been proceed through E-procurement (EPAD) associated with two committees i.e. Procurement Committee and Grievance Committee. EPAD has already declared criteria for awarding work to eligible bidders. After opening of financial bid, procurement process remains closed for almost 10 days, in order to entertain grievance of bidders through grievance committee. Procurement agency has to attend and resolve the grievance of bidders, in order to ensure the completion of process.

It has been observed that your team has lack of awareness regarding EPAD procurement process and that is the reason to process grievance, after lapse of 1.5 month, after opening of tender. It is requested to train your staff regarding EPAD system, in order to ensure proper participation.in tender.

SENIOR ELECTRICAL ENGINEER
