

Ref: No.238/2024

Dated: 30.04.2024

To,

The Senior Officer,  
Pak PWD Karachi.  
Chairmen GRC

SUBJECT: COMPLAINT AGAINST XEN CENTRAL CIVIL DIVISION PAK PWD HYDERABAD.

R/Sir,

With due respect I have sent the application with reference No: 226/2024 Dated: 18-04-2024, to your good office against the XEN Central Civil Division Pak PWD Hyderabad and his cashier namely Mr. Rashid Soomro, that they are not interested to provide me the bidding documents of Nit's which is mentioned in my application.

That then after I sent the reminder with reference No: 230/2024 Dated: 25-04-2024, to your good office to redress the issues regarding non issuing of bidding documents to my company.

That no any notice issued even no any action taken by your good office on my application and reminder against the respondents.

Respected Sir, That as per the condition which is mentioned in Nit's that the bidders can download the BOQ's from the website of the PPRA, my company downloaded the same documents from PPRA website and after filling the rate along with pay Orders as tender fees, earnest money in shape of call deposit, and other relevant documents as per required by XEN in his nit's and same has been courier through TCS vide Tracking ID 2068519743 to 2068519778 and 2068519779 to 2068519795 on dated: 27-04-2024 which was received in the office of XEN Central Civil Division Pak PWD Hyderabad on 29-04-2024.

That after today dated: 30-04-2024 all of sudden I received a voice note on my Whatsapp number at about 1:55 PM from the mobile number of cashier Mr. Rashid Soomro, he said that kindly come and take your bidding documents from the office of XEN Central Civil Division Pak PWD Hyderabad.

Then after I visit to the office of XEN Central Civil Division Pak PWD Hyderabad but the XEN and concerned cashier were not present at their office and I did not received the Bidding Documents from concerned office.

Respected sir, I already mentioned in my application that the bidding documents on PPRA website is incomplete, the concerned XEN has not uploaded the Standard Bidding Documents (SBD), respected sir, I was informed by the other contractors that they have received the complete bidding documents four days ago, but today I was informed by voice note from cashier on Whatsapp when one day is remaining for opening of the tenders which is clear evidence that the concerned XEN is not willing to issue me tender / bidding documents just because to keep away my company to participate in this nit's.
