The Deputy Director Anticorruption Hyderabad.

Subject: CORRUPTION / MISS-APPROPRIATION OF GOVERNMENT FUNDS IN  
PROCUREMENT OF VETERINARY MEDICINE, EQUIPMENT'S AND  
INSTRUMENT IN THE CURRENT FINANCIAL YEAR 2022-2023.

Respected Sir,

I am writing this letter to inform and express my deep concern and sorrow over the corruption and malpractices of misappropriation and embezzlement made in the funds released for support of poor farmers in rain affected areas of Sind. Previous year, due to long-lasting and heavy monsoon rains /devastating floods throughout the Sind province, claimed lot of losses in shape of death of animals that are major source of livelihood in rural Sind, as well as loss of their health and productivity led to a severe shortage of milk and meat in the province. Consequently, in order to cope with the situation, government declared emergency to support livestock farmers and released billions of rupees to Livestock Department Sindh.

In the situation of national emergency that had caused mortality of thousands of poor people and millions of their animals, every person contributed from their heart and soul but instead of providing real support to livestock farmers,

Director Animal Husbandry Sind DR.HIZBALLAH BHUTTO has taken this all situation as final opportunity to improve his wealth and status. Billions of rupees have been misappropriated and from this corruption money, Mr. HIZBULLAH BHUTTO has purchased property of billions of rupees after joining as Director Animal Husbandry. Recently, he has purchased a bungalow of Rs. 70 million at Gulistane-Sajjad, Qasimabad, Hyderabad.

As we known that the administrative department declared emergency in the month of November, 2022. Emergency means quick response, but this corrupt person purchased low grade veterinary medicines and equipment from his friends' companies and utilized all four quarters of budget and issued supply order to these firms without any tender process and also issued advance payments to the firms with 60 % commission as bribe and has misappropriated all non-salary funds like purchase of medicines. It is regret to inform that still the procured medicine after advance payment to the firms are not received yet, which comes under misappropriation of funds and also violation of SPPRA rules.

The details of utilization of funds are given as under:

HB-0106
