**Subject:-** Delay in issuance of Tenders advertized vide NIT No.EE:CCD-V/AB/440 dt.27-04-2023 for Rs.80.657 million to be received and opened on 18-05-2023.

Dear Sir,

With reference to above subject NIT for Rs.80.657 million, which you invited on 18-05-2023, with some malafide condition of Electric contractor Licence issued from Electric Inspector Islamabad for accommodating your favorite contractor and we after smelling your attempt of condition vide our letter No: WSKB & Co/1734 dated. 11-05-2023 (Photo copy attached for ready reference), That, you instead of replying with justification as per policy and rules asked our authority holder that tender will be issued , as such we are holding Electric Contractor Licence issued from Electric Inspector Karachi and on that basis we are registered with PEC for execution of E/M works in all over Pakistan. Again our representative visited your office on 15<sup>th</sup> May, 16<sup>th</sup> May & today on 17<sup>th</sup> May 2023 , but you asking him for waiting & left your office and not issued the tenders which is misconduct and guilty of misusing your official authority for your improper motives.

Now, you are advised in public interest to extend the date of opening and mean while requested for issuing us the tender failing which matter will be reported to your superiors for an appropriate action.

Subject:- Manipulation in PEC-Bidding Documents in the NIT EE:CCD-V/AB/440 dated.27-04-2023 for Rs.80.657 million on 18-05-2023.

Dear Sir,

With reference to above subject NIT, you have incorporated condition No.3, that we are re-producing here under:-

"The applicant firm must possess the valid Electrical Licence issued by Electrical Inspector Islamabad Region under Electricity Act. "

As such above condition require justification, because you are Civil Engineer of Pakistan P.W.D., and if Electrical work you have added in the NIT, then the same will have to be carried out, supervised by Electrical Engineer of Pak. P.W.D., where as Pak. P.W.D., is a Federal Department, hence Executive Engineer ( E/M) is competent to Execute, Supervise and inspect such type of E/M work at his level or otherwise delete E/M work from Civil NIT. (Schedule of works), in this connection refer the Electricity Act-1910, Rule-20 (Photo copy attached) and M/S. WAPDA/IESCO have to accept the wiring test report submitted to them by any Executive Engineer E/M of Pak. P.W.D., Islamabad, as such Pak. P.W.D., execute the work on behalf of Federal Government and Electrical Engineer, is authorized to supervise the work and issue wiring test report at his level and not the contractor etc and besides above it is for your information that Electrical Contractors License issued to the contractors from any Provinces being contractor of Federal Department and on that basis, PEC register the Electrical contractor accordingly in different specialized fields which is also valid in all provinces.
