Subject :- Prequalification of Cargo Village

Dear Sir,

Kindly refer to Add. Director ES (Quality Control and Marketing) CAA letter No HQCAA/1607/002/ESQC/772 dated 2.2.2016.

The delay in taking action on the publication of notice before 2nd February 2016, in press caused due to change of project department for this procurement from present department to directorate commercial & estate.

As discussed and agreed in the meeting held on 28.1.2016, the evaluation criteria of the project contains conditions which are to be included in the expression of interest, and therefore the process of prequalification will be discontinued.

The Expression of Interest will be invited for BOT Project, for which few documents were also given to Add. Director ES regarding draft Implementation Agreement which has to be included in the EoI.

Accordingly, no action is required to be taken on the application for prequalification received, as the evaluation criteria is not proper.

As informed in para 4 of CAA letter, the officers of directorate commercial & estate and consultants are requested to visit undersigned for finalizing modalities of preparation of expression of interest within 10 days, on Thursday 4th February 2016t at 9 a.m.

Regards,

Syed Adil Gilanai
Adviser.

CC Mr. Nadir Shafi Dar, Director CAA, for information.
