

2<sup>nd</sup> November, 2023

TL2023/1102/2A

Mr. Asif Hyder Shah,  
Federal Secretary,  
Ministry of Climate Change and Environmental Coordination,  
Islamabad.

**Subject: Expression of Interest for Accreditation under Green Climate Fund (GCF) for  
Transparency International Pakistan as an accredited entity on Climate Change**

Dear Sir,

Transparency International Pakistan, refers to its meeting held in your office on 27 October 2023, whereby TI Pakistan briefed you on its Climate Governance Integrity Program (CGIP) which aims to strengthen integrity and inclusiveness in climate governance and its main objects are:

- Make Climate Action Transparent and Inclusive
- Improve Climate Accountability
- Safeguard Climate Funding

Given extensive work of TI Pakistan on climate change at federal, provincial and local level, TI Pakistan seeks for accreditation under Green Climate Fund (GCF) as an accredited entity on Climate Change.

Transparency International Pakistan is striving for across the board application of Rule of Law, which is the only way to stop corruption, and achieve Zero tolerance against corruption.

Regards,

Mr. Kashif Ali  
Executive Director  
Transparency International Pakistan
