TP2022/0913/1B

Honorable Shahbaz Shariff  
Prime Minister of Pakistan  
PM House,  
Islamabad

**Subject: Transparency International Pakistan congratulates Prime Minister for establishing Digital Flood Dashboard as recommended by TI Pakistan for Transparency and Accountability in the utilization off Relief, Reconstruction and Rehabilitation Funds in the wake of floods in Pakistan**

Dear Sir,

Transparency International Pakistan refers to its letter No. TP2022/0906/1A dated 6th September 2022 on the subject above. TI Pakistan would like to congratulate the Prime Minister for its timely initiative, in line with the recommendations of Transparency International Pakistan, to set up Digital Flood Dashboard for online monitoring of donations activity tracking.

The digital dashboard and the audit by AGP and international firms are vital steps to give the public access to all the information regarding donations for the victims of floods, including transparent procurement, distribution and delivery of donations received from donors. It will allow the public to view the items and funds that Pakistan is receiving for affectees at the global, federal, and provincial level.

The Digital Dashboard will also act as Confidence Building Measures (CBM) for international donors to provide more than US \$ 10billion aid which is required for the rehabilitation of the flood victims and reconstruction of their houses and damaged infrastructure (schools, roads, bridges and etc.).

However, Transparency International Pakistan would like to urge the federal government that the Digital Flood Dashboard may also be replicated by National Disaster Management Authority (NDMA) or Economic Affairs Division (EAD) for NGOs/CSOs and other stakeholders.

Transparency International Pakistan is striving for across the board application of Rule of Law, which is the only way to stop corruption, and achieve against Zero tolerance against corruption.

Regards

Advocate Daniyal Muzaffar,
