Sub: Violation by Ministry of Communication in the Publication of the Contract Agreements on PPRA Website under Public Procurement Rules, 2004, Rule 47, Mis-Procurement Rule 50

Dear Sir,

Transparency International Pakistan monitors implementation of PPRA Rule 47 (quoted below) which requires all procuring agencies to upload contract award agreements along with rates/prices quoted/BOQ on the PPRA website.

47. Public access and transparency. - As soon as a contract has been awarded the procuring agency shall make all documents related to the evaluation of the bid and award of contract public:

On 22nd October 2021, Section Officer Ministry of Communication vide letter No. 6(3)/2020-Road-I addressed to Chair and Vice Chair Transparency International Pakistan stated the following quoted below and enclosed as **(Annex-A)**:

Quote

"However, it is pertinent to highlight that PPRA has circulated two proformas as Attachment-I and Attachment II (enclosed) for uploading the information regarding contract award in compliance of Rule 7 of Notification S.R.O.805 (I)/2008 of PPRA. PPPRA Rule 47 does not require uploading of BOQs rather it demands uploading the information i.e. tender cost, awarded cost and other details of bids"

Unquote

SPPRA Rule 51 and BPPRA Rule 56 are quoted below for your reference:

SPPRA Rule 50. Publication of the Award of Contract - Within fifteen (15) days of signing of contract, procuring agency shall publish on the website of the Authority and on its own website, if such a website exists, the results of the bidding process, identifying the bid through procurement identifying number, if any, and the following information:

- (1) Contract Evaluation Report;
- (2) Form of Contract and Letter of Award;
- (3) Bill of Quantities or Schedule of Requirement.

BPPRA Rule 49. Publication of the Award of Contract - Within forty-five (45) days of the award of contract, Procuring Agency shall publish on the website of the Authority and on its own website, if such a website exists, the results of the bidding process, identifying the bid through procurement identifying number, if any, and the following information:

- (a) Contract Evaluation Report;

- (b) Form of Contract and Letter of Award; and
- (c) Bill of Quantities or Schedule of Requirement.

TI Pakistan has consistently informed Ministry of Communications that PPRA Rule 47, SPPRA Rule 50 and BPPRA Rule 49 have been incorporated with a view that the rates, prices and monthly remuneration of consultants/experts are to be known to the public, whereby public can scrutinize any overpriced rate/purchase by comparing prices for similar procurements by different departments. It may also be noted that such attempts are the efforts by Ministry of Communication to hide the rates (BOQ rates) of the contracts awarded, and in accordance with PPRA Rule 50, non-compliance of any of PPRA Rules amount to mis-procurement.

The Managing Director PPRA vide letter F. No. 1(5)/M&E/PPRA/2018 dated 11th November 2021 has again issued following directives to all Procuring Agencies to provide requisite documents pertaining to all procurements along with duly filled proformas, in compliance with Rule 47 (**Annex-B**).

*"The Authority vide letter of even No. dated July 01, 2021, (copy attached) required all procuring agencies to submit documents related to the evaluation of the bid and award of the contract * without any reference to the contract amount) for uploading on the PPRA website, as enshrined under Rule 47 of Public Procurement Rules, 2004 and Regulation (2) of Public Procurement Regulations, 2009. However, it has been observed that procuring agencies are in partial compliance of the said requirement by submitting the requisite documents related to few procurements.*

You are once again requested to issue instructions to all procuring agencies under the administrative control of your Ministry/Division to provide requisite documents pertaining to all procurements along with duly filled proformas attached with the above referred letter, (which includes the requirement of a copy of the agreement to be attached) so that the same may be uploaded on the Authority's website to ensure public access and transparency".

However, the contracts award information along with BOQ rates of Ministry of Communications are still not uploaded under the "Procurement Contracts" section on the PPRA website.

TI Pakistan requests the honorable Prime Minister to issue orders for the compliance of PPRA Rule 47 by Ministry of Communications and all other Ministries to publish a) Contract Evaluation Report; (b) Form of Contract and Letter of Award; and (c) Bill of Quantities or Schedule of Requirement along with contracts on PPRA website.

TI Pakistan is striving for across the board application of Rule of Law, which is the only way to stop corruption and achieve zero tolerance against Corruption.
