No. 1(1) Minister / 2015
Government of Pakistan
Ministry of Petroleum & Natural Resources

Islamabad, the 25th November, 2015

Dear Sir,

I am in receipt of your letter TL15/2011/8A dated November 20, 2015, which was released to the print and electronic media on the same day but received by us on November 23, 2015.

2. The letter is addressed to my father Mr. Khaqan Abbasi, who was the Federal Minister for Production in 1985; he is not in a position to receive this letter as he passed away in 1988.

3. The 10 allegations of the unknown complainant referred to in your letter either have no basis in fact or have no contextual relevance. In addition, the issues raised with the Ministry for clarification are based on illogical hypotheses, and cannot have rational answers.

4. Kindly contact my office so that you can be briefed, at your convenience, on the efficacy of LNG for Pakistan and the transparent PPRA compliant process adopted for its procurement and supply.

Yours sincerely,

Shahid Khaqan Abbasi
